

We know change is inevitable, let's make it easy.

WHAT'S THE PROCESS TO MAKE A CHANGE?... *Follow these steps to success.*

- Read the 2010-2011 Championship Guide thoroughly to ensure you're making the correct change.
- Change Request form must be received before the "On-Time" deadline. All changes requested after that date will be charged the following fee: **\$50 per team/change** for Regionals and Six Flags events; **\$100 per team/change** for Nationals (*See Nationals Invitation Packet for details*).
- Be sure to include payment with this form.

WHAT ELSE DO I NEED TO KNOW ABOUT CHANGES?... *The boring but important details.*

Change of Total # of Participants

If **adding** participants (which requires extra registration fees), you must also send an updated Team Roster and include participant on your Agreement of Compliance Form. Participant fee of current date will be applied. If **removing** participants, you must send an updated Team Roster (no extra fees are required, unless it effects your team size description for Nationals).
